

MINISTRY WORKER APPLICATION

. This is not an employment application form. The information you provide will only be reviewed by those involved in ministry oversight and will be treated as confidential.

Why do we ask you to fill out this form? We are striving for excellence in everything that we do to bring glory to God. To help us in finding great people to do ministry:

- We screen our workers to provide a safe and secure environment for those who participate in our programs.
- We want to make sure that you understand the need for a personal relationship with Jesus Christ. You won't be able to share that need effectively if you haven't taken care of it yourself.
- We want to be on the same page with you concerning the doctrines/teaching of the Word of God and the vision that we have for reaching the lost and discipling those who have trusted in Jesus.

If you have any questions, please ask. We want to help you be an excellent servant of God.
